ABOUT US

HARVEST POOLS is a family owned business for over 35 years based in the Hunter Valley.

With a wealth of knowledge and attention to detail we manufacture quality fibreglass swimming pools. We have agents across the east coast of Australia and New Zealand. We have a large colour palettes and over 30 pools available in various shapes and sizes.

At HARVEST POOLS we pride ourselves on the manufacture of quality, modern pool designs using the latest systems and technology. From start to finish our product and service is superior, starting with our exceptional customer care, our insistence on using only the best materials and the inclusions we can offer.

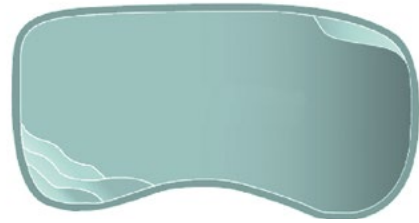

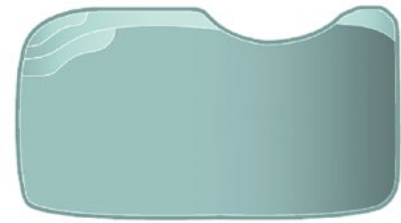

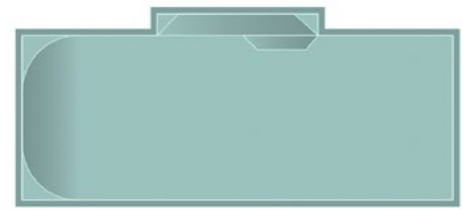

OUR POOLS

HARVEST POOLS offer premium quality at a realistic price. Our fibreglass pools are made to exceed Australian Standards and use the lightest contruction material available.

The materials used are ideal for most soil types and the superior quality resins and gel coats offer security, strength and durability.

Along with a Lifetime Structural Warranty, our pools offer a non-slip safety finish to the floor,steps and swim out that is designed to last. Many of our designs also feature full length safety ledges and handrails.
